MODEL: BTRE | BLUETOOTH® RANGE EXTENDER

The BTRE is an essential part of any job involving bt fixtures. Stake mounted range extender installs where spacing between bt fixtures is significant, where elevation or obstructions might interrupt signal and simply to strengthen the overall network. Do not place behind physical obstructions like walls, stones, etc.

CONSTRUCTION: ABS plastic housing.

MOUNTING: Pre-installed small 8" plastic ground stake. Slotted for easy removal without having to cut the wire lead.

WIRING: Pre-Installed 16AWG 36" wire lead. Black insulation.

WARRANTY: Lifetime warranty on BTRE housing.
