LURVEY SELECT **ARCHITECTURAL STONE**

Lurvey Architectural Stone Guide is a compilation of some of our best-selling Natural Stone Veneers. While types, styles, and blends are countless, this guide brings a collection of popular choices and also is a starting point in bringing your vision and your project to life.

LURVEY SELECTED NATURAL STONE VENEERS

- UNIQUE** Every stone has its own texture and color
- ENDURING** Stone withstands the passage of time and provides a legacy for the future
- TIMELESS** Structural integrity, diverse textures, and an earthly palette will transcend time
- BEAUTIFUL** Natural stone provides colors, depth, and richness
- GENUINE** Formed in nature by nature

Lurvey has and continues to bring together all the right options and solutions. Lurvey Architectural Stone is marketed along-side of Lurvey Landscape Supply to serve both the professional design builder and professional landscaper. For more selections and information please visit us at www.lurvey.com or call to set up an appointment with a building stone expert. We want to help you select the stone that is right for you.

Stone is a natural product. Variations in color and texture do occur, and often change and are part of what makes natural stone products so unique. Please use the photos in this booklet as a guide only. We cannot guarantee an exact match to any of the images contained herein.

ASHLAR / NATURAL LAYERED

Natural Layered is produced from the natural layers a quarry yields. The top and bottom of each stone will offer a natural texture. Heights vary depending on what the quarry produces.

SQUARES & RECTANGLES

Squares and Rectangles, also known as “Castle Rock” are set in a random ashlar pattern dominated with taller or blocky pieces. This style will typically give you larger heights and longer lengths. If you desire stone with a larger look and feel this style is a great way to achieve that.
